About Crane

Crane Co. is a diversified global manufacturer of engineered industrial products traded on the New York Stock Exchange (NYSE: CR). With approximately 10,000 employees working together in five business segments across 25 countries, Crane generated 2011 net sales of \$2.55 billion. The company adheres to values of ethical conduct with all stakeholders as set out by its founder R.T. Crane over 100 years ago, with the paramount dictum being his motto: “We are dedicated to integrity and honest dealings in all that we do.”

Financial Strength

Crane has a strong financial position, giving it the capacity to continue strategic acquisitions.

Global Reach

Worldwide operations in over 120 locations grow Economic Value Added (EVA) with top people and products, customer focus, and a common Crane Business System throughout the Company.

Leadership:

Crane businesses have leading market shares in focused niche markets and seek to produce high returns and excess cash flow.
