

**Gregor Bach**

*Applications Manager*

*CRANE ChemPharma Flow Solutions, Xomox®*

*Lindau, Germany*

Gregor Bach is an Applications Manager for CRANE ChemPharma Flow Solutions™ where he is responsible for the Xomox® brand of products within the EMEA region. Mr. Bach has been with CRANE for more than 15 years, during which he also served as the Regional Sales Manager for the CEE & CIS regions prior to accepting his current position in 2008. As Regional Sales Manager, Mr. Bach was responsible for valve business development and execution in 17 countries in Central Europe and CIS, as well as the establishment of the company's Moscow office and CIS sales team.

Before joining CRANE, Mr. Bach worked for five years as a Project Engineer for Dr. Sporenberg Umweltschutz und Verfahrenstechnik GmbH, a German engineering company in Bochum. There he worked with off-gas purification systems (thermal post-combustion) in the solvent processing industry.

Mr. Bach holds a Master of Science Engineering Degree from the University of Bochum in Germany and speaks Polish, German, English and Russian. He currently resides in Lindau, Germany.
