

good people make good things happen!

**CRANE Co.**

**Crane Co.** is a diversified manufacturer of highly engineered industrial products with a substantial presence in a number of focused niche markets. With approximately 10,000 employees working together in five business segments across 25 countries, Crane generated 2009 net sales of \$2.2 billion. We are dedicated to integrity and honest dealings in all that we do.

## About CRANE

### Financial Strength

Crane has a strong financial position, giving it the capacity to continue strategic acquisitions.

### Global Reach

Worldwide operations in over 120 locations grow Economic Value Added (EVA) with top people and products, customer focus, and a common Crane Business System throughout the Company.

### Leadership

Our businesses have leading market shares in focused niche markets and seek to produce high returns and excess cash flow.

## CRANE Values

- Strength through integrity
- Performance culture based on trust and respect
- Make it ugly
- Good people make good things happen
- Continuous improvement
- Passion for learning
- Crane helping Crane
- Focus on the customer
- Faster, better, easier

## Introducing CRANE Co.

### Aerospace & Electronics

### Engineered Materials

### Merchandising Systems

### Fluid Handling

### Controls

CRANE Co., 2009

*We have five strong business segments, each strategically positioned to produce excellent returns and high cash flow over the business cycle. By both growing these segments and transitioning to a more integrated operating company with a common business system and a common intellectual capital process, we are continuing to create value for our shareholders and important returns for other stakeholders in our Company-employees, customers and suppliers.*
